Dear Miss Tam, my class teacher,

I admire you most because you always help me. You are honest, cheerful and grateful. You teach me English and help me with my homework. Thank you for your help.

You always look tidy and clean. You always give me superstars when I get ninety-five to a hundred marks in my dictations. I love to have you teaching me English. You would point out the mistakes I have in my homework. I really hope that you would still be my Primary Four English teacher.

Love,  
Koby
