

3B (6) CHEUNG CHEUK KIU

Dear Mr Ma,

Hello, I am happy because I can meet you! Last year, I was naughty because I kicked the ice cream cone.

I admire you as you are very kind. Sometimes when I do something wrong, you will comfort me. You teach me and help me to solve the problems.

I like to have you teach us General Studies in 3B! I want to say "I love you!"

Love,
Matthew
