Dear Luke,

How are you? I am writing to tell you about my feeling about you. I am pleased that we are friends.

You always do well in examinations. You always teach me Chinese and Mathematics. In addition, you are good at playing basketball. On Saturdays, you teach me how to play it.

You are friendly. You always play with me, especially online games. You are helpful too. You often teach me with my homework. I want to thank you for looking after me.

I hope we can be good friends forever.

Love,
Jasper
