An unforgettable experience in Kei Oi

I will never forget the day when I saw a wild bear. I will never forget that day.

It happened during a field trip last week. Our teacher was playing a game with us when a wild bear came up to us. Then it went to the bench where my classmates and I placed our bags. The hungry wild bear was searching for food around our bags. When it smelled the food in one of my classmates' bags, it bit his bag and took the food.

Our teacher told us to stay calm but everyone screamed. A few minutes later, some teachers finally took his bag back and it was ripped and torn. Luckily, he got his things back. It was an unforgettable field trip. And I have learned that, even if there is danger around, we still have to stay calm.
