An unforgettable experience in Kei Oi

I will never forget the day when I stepped on the stage. It was an unforgettable experience in Kei Oi.

It happened in February this year. My school had a Sports Day. I joined the 200m race. I spent a lot of time practising because I wanted to win. Two weeks before the Sports Day, I ran for one hour every day. I worked very hard.

On Sports Day, I felt nervous. I hoped I could win the first place. When the race started, I ran as fast as I could. Finally, I won the competition. I was so excited because my hard work paid off.

After this experience, I have learnt that if we want to achieve something, we have to work hard for it.
