**An unforgettable experience in Kei Oi**

I will never forget the day when I went on a school trip in Primary four. It was an unforgettable experience.

It happened when I was in Primary 4 when we were ready to set off to Wu Kai Sha Youth Village. While we were waiting in the classroom, my classmates and our school teacher, Miss Kwok were telling jokes and telling us what we would do in the trip. We waited for 25 minutes. Finally, it was our turn to get on the school bus to Wu Kai Sha.

When we went on the school bus, many of our classmates threw up when the school bus driver was driving us. When we arrived at Wu Kai Sha, our class teacher told us to follow his rules but my friend and I didn't. Therefore we ran as far as the teacher couldn't see us. When we were running, I just tripped a stone and fell down. I felt very painful. Therefore, my friend went back and told the teacher about it. They ran to me and my teacher called the school nurse. She took me to the school bus and took good care of me. Sadly I could not play outside. When they finished their trip, they were chatting on the school bus. They said, 'What a fun trip! We played so many things.' I was so upset.

From this experience, I have learnt that I have to listen to the teachers.
